

GETTING COLD INSIDE? OH BABY! GET HEATING ASSISTANCE!

Need help with home heating costs and weatherization?
Apply to see if you qualify for assistance from LIHEAP.

DOCUMENTS TO HAVE WHEN YOU APPLY:

- Completed LIHEAP application
- Verifications of any income you received in the prior month, current month and what is anticipated in the following month
 - If you want LIHEAP to help going back to October (start of current heating season), you will need to provide all income going back to October to current month.
 - If you want to be reimbursed for bills you PAID, you MUST also include proof of paid heating bills along with your income for those months you are requesting reimbursement.
- Verifications of expenses you have paid from June 1 to current
 - Medical expenses
 - Childcare expenses
 - Child Support/Alimony
- Copy of your heating bill
- Copy of your lease if you rent
