Section 7 - CHILD SUPPORT

PROGRAM NOTES:

A IV-D case receives full services and is created when the program receives an application for services from one of the parents, a referral from a department program (TANF, Foster Care, and Medicaid), or a request for assistance from another state's program.

A NonIV-D case is one in which there is a child support order but the program has not received an application, a referral, a request for assistance: or which was previously a IV-D case that was subsequently closed.

**Section 11: MONEY FOLLOWS THE PERSON
APPROPRIATION 2013-2015 BIENNIUM \$2,375,003**

PROGRAM NOTES:

The Money Follows the Person program started in 2008 and assists people who want to move from institutional settings back to the community. The program is also designed to increase community-based long term care services and supports.

In the last three calendar years 97.5% of the transitions were to a home living arrangement while 2.5% were to an assisted living facility.

The appropriation contains funding for contractual services, which includes transition coordination services, outreach services, recipient transitional costs, and other housing and support services.

PROGRAM NOTES:

The Medicaid Autism Waiver, approved by The Centers for Medicare and Medicaid Services, provides services for individuals from birth through age five. At this time the Department is seeking approval to extend the waiver through age seven, based upon 2013 House Bill 1038.

The Autism Voucher program, which was authorized in 2013 House Bill 1038, assists in funding equipment and general educational needs for individuals, below two hundred percent of the federal poverty level, from age three up to age eighteen and who have been diagnosed with an autism spectrum disorder. These services are funded from the state general fund.
