

2023 – 2026 SUPTRS Prevention Block Grant – Logic Model

INPUTS/RESOURCES

SPF STEP 2

What resources are available? What barriers can you identify? Type your answer here...

PROBLEM STATEMENTS			ENVIRONMENTAL STRATEGY	ACTIVITIES	GOAL STATEMENTS		
Problem	Intervening Variables	Local Conditions			Short-Term Outcomes	Intermediate Outcomes	Long-Term* Outcomes
<p>What is the problem or issue in your community?</p> <p><i>Underage Drinking (Ages 14-20) is a problem as documented by:</i></p> <p>2021 YRBS Survey, 23.7% of students from Region IV reported that they currently had drank alcohol before.</p> <p>According to Region 6 WYSAC Survey 2022, 26.4% reported that youth alcohol is a problem in their</p>	<p>Why is it a problem in your community?</p> <p><i>There is high social access of alcohol in our service area as documented by:</i></p> <p>1. 44% of Dickey County residents believe that youth have older friends provide and/or buy it for them.</p> <p>2. 17% of community members believe it is not at all difficult for youth to get alcohol from parents.</p>	<p>What does the problem specifically look like in your community? What is the behavior?</p> <p>College students who are returning home on the weekends that are of age (21-22) are providing alcohol to youth. Youth are drinking this alcohol at shop parties in the country. They are buying it from our local convenience stores (grocery store or Casey's). Youth are partying in these</p>	<p>What environmental change can you implement to impact your identified problem?</p> <p><i>Put in place a Social Host Ordinance</i></p>	<p>What are all the steps that must happen to implement the environmental change?</p> <p><i>Meet with community coalition members</i></p> <p><i>Run media campaigns to educate the community</i></p> <p><i>Create a budget for Social Host Ordinance work</i></p> <p><i>Meet with key stakeholders</i></p> <p><i>Put together an evaluation plan</i></p> <p><i>Draft an ordinance</i></p> <p><i>Get on the city council agenda</i></p>	<p>Measures the local condition – what are you doing to address the problem?</p> <p><i>Decrease the number of shop parties in the county.</i></p> <p><i>Decrease the # of parents providing alcohol to minors</i></p> <p><i>Decrease the number of college kids providing alcohol to minors</i></p> <p><i>Increase in use of the Text-Tipline.</i></p>	<p>Measures the intervening variable – what you are doing to reduce access?</p> <p>1. There will be a decrease in Dickey County residents who believe youth have older friends providing/or buying alcohol (from 44% to 40%).</p> <p>2. There will be a decrease in community members who believe "it is not at all difficult for youth to get alcohol from parents." (from 17% to 15%).</p>	<p>Measures the impact to the problem – are you seeing long-term behavior change?</p> <p><i>Minors involved in 911 dispatch calls will decrease by 2% at reported by OVAS</i></p> <p><i>Youth reporting use of alcohol in their lifetime will decrease by 10% as measured by the YRBS.</i></p> <p><i>ND Highschool students who report current alcohol use (within the past 30 days) will decrease by 3% as reported by the ND YRBS</i></p>

*The long-term outcomes are affected not by any single strategy, but by ALL strategies and activities

2023 – 2026 SUPTRS Prevention Block Grant – Logic Model

<p><i>communities. 44% think it's a moderate problem and 30% of individuals think it's a serious problem.</i></p> <p>Substance Abuse Prevention data (Dickey County) 2023, 84% of individuals reported that underage drinking is an issue in Dickey County.</p> <p><i>55.7% of youth reported that they have drank alcohol in their life (according to YRBS)</i></p> <p><i>23.7% of ND Highschool students report current alcohol use (within the past 30 days) ND YRBS</i></p> <p><i>In the last three years, there were 123 child</i></p>	<p>(Community Readiness Survey)</p> <p><i>3. 25% of community members believe it is not at all difficult for youth to get alcohol from other family members.</i></p> <p>(Community Readiness Survey)</p>	<p><i>shop parties and driving home. Youth have also received alcohol from the parents who host the shop parties.</i></p>		<p>Attachment A: Provide information, enhance capacity, provide support, enhance access/reduce barriers, change consequences, chance physical/environmental design, modify/change/implement policies.</p>	<p><i>Increase in law enforcement (increased enforcement and prosecution of adults providing alcohol?)</i></p> <p><i>Increase school / county policies to require students caught drinking alcohol to enroll in MIP early intervention education</i></p>	<p><i>3. There will be a decrease in community members who believe "it's not difficult at all for youth to get alcohol from other family members" from 25% to 20% (Community Readiness Survey)</i></p>
