

2023 – 2026 SUPTRS Prevention Block Grant – Logic Model: RICHLAND COUNTY HEALTH DEPARTMENT

INPUTS/RESOURCES SPF STEP 2							
What resources are available? SAPST trained staff member implementing the SUPTRS grant, Partnerships with NDSCS Campus Police & Student Wellness Coordinator, Partnership with Wahpeton Police Department and Richland County Sheriff Department and Parents Lead materials. What barriers can you identify? Our biggest barrier is the community norm around drinking, most of our communities in Richland County host events that advertise and promote alcohol use to gain attendance and the result of that is normalizing adult binge drinking.							
PROBLEM STATEMENTS			ENVIRONMENTAL	ACTIVITIES	GOAL STATEMENTS		
Problem	Intervening Variables	Local Conditions	STRATEGY		Short-Term Outcomes	Intermediate Outcomes	Long-Term* Outcomes
<p>What is the problem or issue in your community?</p> <p><i>Underage Binge Drinking (ages 18-20)</i></p> <p>2022 Region 5-WYSAC Survey reported 42% of region 5 residents think alcohol use in the community is a moderate problem among adults, 26% think it's a serious problem.</p> <p>2022 BCBS Health and Well-Being in ND reported 25% to 26% of</p>	<p>Why is it a problem in your community?</p> <p><i>Increased access to alcohol.</i></p> <p>Richland County has 42 establishments where residents can be served or purchase alcoholic beverages.</p> <p>Increased promotion of alcohol at community events (community norm).</p> <p>Sip & Shop, Fall Wine Walk, Holiday Hot Drink Crawl,</p>	<p>What does the problem specifically look like in your community?
