

**Problem Statement:** There is a high rate of incidence of binge drinking among adults on the Turtle Mountain Chippewa Reservation.

- **Supporting Data;** 7 local surveys conducted from 2017 to 2023 found that 31.2 % of 279 surveyed responded that they binge drank (4/5 drinks for men/women).
- **Supporting Data:** As reported by the BIA Office of Justice Services, Division of Corrections, Turtle Mountain Agency, For FY 2022 there were 743 arrests. For FY 23 244 arrests were ARC.

**Goal 1.** Reduce Adult Binge Drinking rates by 3% per annum.

**Objective 1.1:** Reduce Retail availability of Alcohol

**Strategy 1.1.1:** Media Campaign re ABD & Prevention

**Strategy 1.1.2:** Utilize SBIRT & data collection

**Objective 2: 1:** RBST implementation & follow-up

**Strategy 2.1.1:** Media campaign on line RBST

**Strategy 2.1.2.** Follow up as to Tribal Policy 19.0108 (1) Alcohol Beverage Server Training with the Tribal Council re updates, status, recommendations and court data (enforcement).
