- **Program Manager Update**
 - **EMS Conference:** Chettie will be there in person along with Andy the Ambulance. Please stop by and introduce yourself.
 - **Hospital PECC Form:** This has been distributed and only ONE has been submitted.
 - Suggestions: keep pestering
 - Dawn Lehrman volunteered to assist
 - **HECC Workshop Report:** Chettie traveled to Omaha for this event.
 - Upcoming symposiums were discussed.
 - May – social poisoning;
 - June/August – Farm injuries (North Dakota presenter)
 - October – KS Chiefs parade shooting discussion
 - Discussion on other ideas:
 - Charting education (proper terminology)
 - Not put parents in a bad light, some chronic child diagnosis present differently, build collaboration with parent and medical team
 - ER misses child abuse more than they catch. Don't want to sugar coat.
 - Child abuse education is always needed
 - Possibly do a recording and offer online with quick for credit to be able to reach everybody
 - Carma's husband is a medical defense attorney – documentation to protect the provider
 - Vaccine preventable diseases
 - Late April Dr Doss – Sickle Cell Disease
 - Sleep education/scene assessment
 - Utilization of the SIM trucks
 - **National Prehospital Pediatric Readiness Project:** Will be sending out surveys to all EMS agencies in the state. Assessing pediatric readiness. Looking at 45 minutes to complete in May. Completion is voluntary but strongly suggested. Results are anonymous and used to help pediatrics nationally

- **Hospital Recognition Program:** Hospital Recognition Programs now need to be federally approved. Chettie has been attending many meetings and continues to work on finalizing this project.
- **Family Voices Video:** Donene recorded a kids with special healthcare needs video. This will be finalized and posted on our website soon along with a quiz for possible CEUs.
- **FAN Update:** Rep not available; no update
- **Family Voices:** Supportive of the charting education – especially when dealing with children with chronic health conditions; non-proper charting has led to CPS investigations, etc.
- **Committee Member Updates:**
 - Carma – Child Passenger Safety in ambulance training;
 - Presented at the NW EMS Conference.
 - Will be doing two presentations on April 23, 12:00 - 1:00 and April 25, 6:30 – 7:30 PM (currently 100 seats/session)
