PREFACE

Temporary Assistance for Needy Families (TANF) - The Temporary Assistance for Needy Families (TANF) program is intended to move low-income families from public assistance to self-sufficiency by providing cash assistance along with work readiness, training and job placement services. The four purposes of the TANF program are to:

- Provide assistance to needy families so that children can be cared for in their own homes or in the home of relatives.
- Reduce the dependency of needy parents by promoting job preparation, work and marriage
- Prevent and reduce unplanned pregnancies among single young adults
- Encourage the formation and maintenance of two-parent families

DHS Policy Chapter 400-19 available at (<http://www.nd.gov/dhs/policymanuals/40019/40019.htm>).

The **Supplemental Nutrition Assistance Program (SNAP)** is a uniform nationwide program intended to promote the general welfare and safeguard the health and well-being of the nation's population by raising the levels of nutrition among low-income households. DHS Policy Chapter 430-05 available at (<http://www.nd.gov/dhs/policymanuals/43005/43005.htm>).

The **Medicaid Program** strengthens and extends the provision of medical care and services to certain groups of people whose resources are insufficient to meet such costs. The Medicaid Program provides an effective base upon which to provide comprehensive and uniform medical services that will enable persons limited by their circumstances to receive needed medical care. Medicaid participates with the medical community in attempting to strengthen existing medical services in the state. DHS Manual, Chapters 510-03 and 510-05 available at (<http://www.nd.gov/dhs/policymanuals/51003/51003.htm>) and (<http://www.nd.gov/dhs/policymanuals/51005/51005.htm>)

The **Optional Children's Group** (Formerly Healthy Steps Program) provides medical care and services to uninsured children in qualifying families. It is intended to help meet the health care needs of children from families that have too much income to qualify for full Medicaid coverage, but not enough to afford private insurance. DHS Policy Chapter 510-03 available at <http://www.nd.gov/dhs/policymanuals/51003/51003.htm>

The purpose of the **Low Income Home Energy Assistance Program (LIHEAP)** is to provide assistance to eligible households to offset the rising costs of home energy that are excessive in relation to household income. Therefore, the benefits provided by North Dakota LIHEAP are not designed to pay the eligible household's total fuel costs, but rather to protect the household against the rising costs of fuel. DHS Policy Chapter 415-05 available at <http://www.nd.gov/dhs/policymanuals/415/415.htm>.

The purpose of the **Child Care Assistance Program (CCAP)** is to increase the availability, affordability, and quality of child care services. The program offers federal funding to states, territories, Indian tribes, and tribal organizations in order to provide low-income families with the financial resources to find and afford quality child care for their children. DHS Policy Chapter 400-28 available at <http://www.nd.gov/dhs/policymanuals/40028/40028.htm>.

TANF

TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF)

Note: Unduplicated count refers to cases or persons (recipients) counted once during the fiscal year regardless of the number of months during the year they received TANF benefits. If a recipient lived in more than one county within the year and received TANF benefits in those counties, that person was counted as a resident only for the county that authorized that family's last benefit payment during the year.

OPTIONAL CHILDREN'S GROUP

Optional Children's Group (Formerly Healthy Steps)

Note: Unduplicated count refers to cases or persons (recipients) counted once during the fiscal year regardless of the number of months during the year they received Optional Children's Group (Formerly Healthy Steps) benefits. If a recipient (or case) lived in different counties within the year and received Optional Children's (formerly Healthy Steps) benefits in those counties, that person is counted as a resident only for the county that authorized that family's last benefit payment during the year.

Note (Medicaid Expansion): Medicaid data reported includes Medicaid Expansion.
