

BEST IN CLASS Family Engagement

Child's Name: _____ STARS State ID (for program use only) _____

The BEST IN CLASS program is committed to partnering with you to support your child's early learning, development and well-being. We recognize that parents are their children's first teachers, and we encourage you to be engaged in your child's learning at home and in his or her early care and education program because it positively impacts health, development and educational outcomes. Partnering with your child's teacher will lay the groundwork for lifelong learning. To support you, we offer Ready Rosie.

Ready Rosie:

Ready Rosie is a tool to help you discover activities and games you can play with your child that support what they are learning in the classroom. Have fun with your child through meaningful interactions! This interactive app will send a weekly playlist via text message and/or email. *(You will be automatically enrolled at no additional cost into Ready Rosie as a BEST IN CLASS family.)*

I am committed to participate in Ready Rosie. I grant permission for BEST IN CLASS to gather information from Ready Rosie on my child's participation and progress by using my name and email address.
