

SPORTS PHYSICALS + WELLNESS CHECKS = A BIG WIN!

Get your child's sports physical and wellness check together,
so they can be at the top of their game - all year long.

Good news: ND Medicaid now **pays for sports physicals for qualifying children.**

Call your provider to make one appointment for both!

WELLNESS CHECKS are preventive care. They are more complete and look at your child's overall health and well-being.

SPORTS PHYSICALS review your child's current health to make sure they are sports ready.
