

13.c Preventive Services

1. Vaccine and Vaccine Administration

North Dakota Medicaid assures coverage for approved adult vaccines recommended by the Advisory Committee on Immunization Practices (ACIP) and the vaccine administration. North Dakota Medicaid also assures that changes to ACIP recommendations will be incorporated into coverage and billing codes as necessary.

2. Traditional Healthcare Practices

North Dakota provides coverage for traditional healthcare practices received through Indian Health Service (HIS) or Tribal facilities by Medicaid recipients who are able to receive services delivered by or through these facilities.

Traditional healthcare practices must be provided by or under contract with Indian Health Service or Tribal facilities.
