Bureau for Social Services, 350 Capitol Street, B-18, Charleston, WV 25301

I certify that I have not committed any act of child/adult abuse or neglect, as determined by a civil or criminal proceeding or through an investigation by the WV Department of Health and Human Resources or through any like agency of any other state or country, or that I am currently being investigated for such except as stated below:

Authorization:

I authorize the WV Department of Health and Human Resources to conduct a background check on me which includes a search of Child Protective Services records, Adult Protective Services records, Youth Services records, Institutional Investigation Unit records and foster care provider records maintained by the Department. I authorize the Department to inform the person or agency named on the front of this form of the results of the background check, including any history I have had with Social Services. I understand that if I have an open CPS/APS investigation the protective service check will not be completed; the open investigation will be documented on the form and returned to the requesting agency. I understand that a positive history of maltreatment in any West Virginia Department of Health and Human Resources protective services record will affect my becoming a foster care placement provider or employee of an agency that provides foster care services. I understand that any involvement I have had with the WVDHHR as a client or foster care agency employee. I release the WVDHHR and/or its agents in providing information pursuant to this authorization from any and all liabilities, claims or lawsuits.
